

This technical drawing illustrates a road intersection with multiple lanes and a central island. The drawing includes various lane markings such as dashed white lines for lane boundaries and solid red lines for no-parking zones. Traffic signs are indicated by circular symbols with numbers like 3521, 3520, and 3522. Dimensions are provided for different sections of the road, including widths of 7.0m, 8.0m, and 9.0m. A central island is labeled "ПАРТЕР" (Pavement). The drawing also shows a "LADDER TURNOUT" area on the right side. The overall layout is detailed, showing the geometry and signage of the intersection.
